

*The Herbal Academy is honored to present
this certificate of course completion.*

This Document Is To Certify That

Kathy McCabe

has successfully completed the ten modules of the Intermediate Herbal Course, which included the study of anatomy, physiology, herbal therapeutics, and the successful completion and passage of examinations.

The distinction of herbalist is bestowed on those that choose to work in the field of herbalism as growers, teachers, producers, nurturers, and clinicians while continuing a lifelong pursuit of knowledge in this field.
